6. While the documents were sent to Mr. Ronen to his last known temporary address by the proposed assignee of the present application, it is believed he never received them or they were lost after he received and returned them, because the signed documents have not been received by the proposed assignee.
7. No further effort has been made to contact Ophir Ronen in view of the extent of this known travel plans to remote places and countries foreign to the United States from which he is unable to communicate with the proposed assignee because of such remoteness. Mr. Ronen's itinerary and return date is unknown.
8. The last known address for Ophir Ronen is 3420 39th Avenue SW, Seattle, WA 98116. I have no knowledge of any other current or past residence address for Ophir Ronen.
9. I declare that all statements made herein are true and correct to the best of my knowledge and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above identified application or any patent issuing thereon.

Respectfully submitted,
